First of all, thank you very much for our polos. They look great! If you can, please send me a w-9 so that we may get you into our system to set you up as a vendor. Once we are able to do this, we will be able to send you your payment, as well as use your services for future projects. Once again, thank you very much!

Thank you very much. I am not sure who I can speak to about this, but my experience with Promoversity has been absolutely fantastic. I worked with a lady named Carrie and she was always there when I needed to speak to her and the shirts were created, altered, and delivered in one week. They were great and very cheap considering the time frame in which we ordered them. They also arrived right on time. I just wanted to thank all of your staff, especially Carrie for the wonderful service that I received and I have been passing the company's name and contact info to other offices around campus for future use. Thank you again.

Hello Renee, We LOVE the scarves. You did a really nice job on them. And, for the biggest test, the students LOVE them, too. They look great—even better than we expected. They are a really soft and nice material, and just the right length to be worn any of several different ways. Most importantly, the look of them is really good! They work well for both boys and girls. You did an excellent job on the scarves for us. Thank you for everything. And, remember, God is always close to the hard worker, and you, Renee, are a very hard worker. Bless you.
